Care Curiosity Determination

22.3.2024

To all Parents/Carers,

To start with, I said I would pass on a thank you from St Alkmunds for the food donations last week. They collected it on Monday and they couldn't believe how much there was 😊...so, thank you!

It was hard to pick just three photos this week as there has been so much going on! You may have noticed some extra bikes on the playground and that is because children from different year groups have been learning how to ride a bike and other cycling skills. Top left we have a child in FS2 on a balance bike. It's a great way to start and some children, who had never even been on a bike, were cycling without stabilisers up and down the playground!

Middle left is a photo of children taking part in their BSL (British Sign Language) lesson. All classes got involved and they were all practicing at breaktime. At least 20 children came up to me in the playground to show me the alphabet in BSL. Click [here](#) if you want to learn yourself 😊

Bottom left children in Y5 absolutely smashed their work around levers and pulleys! Next week they are going to Cromford Mills so it was good practice for them and their learning. They worked with CAD (Computer Aided Design) and knex – top work!

And finally, next week we will be putting out all lost property and wellies. Please take any items that belong to your child home. We are also asking for any board game donations (complete with all the pieces) for our new chill out area.

Many thanks and have a lovely weekend

Mr I. Johnson

This week's attendance is 95.5%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y6 98.6%
