YMCA Y-Kidz Holiday Activity Clubs

We love the holidays!

YMCA Y-Kidz offers a diverse range of energetic and engaging activities for children during school holidays and on INSET days.

Our holiday activity clubs are themed to build children's excitement and ensure activities regularly change throughout the academic year.

Activities typically include arts and crafts, sports and games, performing arts, food decoration, soft-play, treasure hunts and talent shows. Previous weeks have been themed around dinosaurs and going 'around the world'.

We make sure each child is up on their feet, getting stuck in and using lots of energy. Our activities encourage children to communicate and build their confidence.

Our clubs provide flexibility wherever possible with both short and full day options.

Our holiday activity club is available for 5-11 year olds. Children aged 4 years of age are more than welcome to join us for a flexible four-hour slot. To secure this space please call or email us.

Typical Day at a YMCA Y-Kidz Holiday Activity Club

We ensure that every day at our holiday activity clubs are different. A typical day would be something like this...

Lets get started

Everyone warms up when registration opens between 8am - 9.30am. We have a range of 'first thing' activities for the early birds until we do our 'all club' wide-awake warm-up at 9.30am.

Morning

This is a great time to begin making new friends during our sessions which range from our Y-Active sports, soft-play or Y-Arts creative time.

Lunch

Our supervised lunchtimes from 12pm give children time to eat their packed lunches and take a bit of chill-out time before we begin the afternoon activities.

Afternoon

We begin our afternoon sessions from 1.00pm. This usually involves supervised time on the adventure playground or nature trails for the younger ones, or for those feeling more active after a warm-up, dodgeball or team challenges could be in order.

End of the Afternoon

At 3.15pm, we announce who has been our Star of the Day, we check on lost property and get ready to meet parents.

Partnership with Markeaton Primary School

We have successfully partnered with Markeaton Primary School since 2012.

Our team provide sports clubs, PPA provision in the form of Physical Education lessons as well as breakfast, after school and holiday activity clubs.

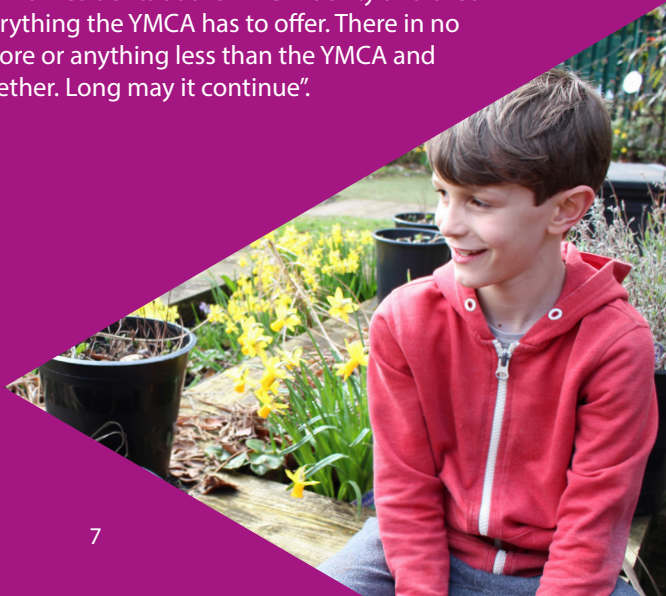

Testimonial

"Since I arrived at Markeaton Primary School, our partnership with YMCA has gone from strength to strength. It is a partnership built on honesty, compromise and what is best for the children of Derby.

"What started off as PPA cover has now evolved into a broad spectrum of provision and a thriving wraparound care/holiday club service for the local community and beyond. The wraparound service and the holiday club encapsulate what makes the partnership so strong and highly sustainable. Both stakeholders communicate frequently and there is a joint determination to provide something which is fun for the children and convenient and cost effective for parents/carers.

"Markeaton Primary School has always been rooted in strong community values and we feel that our partnership with YMCA only enhances this profile. We have also worked with residents at the YMCA facility and tried to become involved with everything the YMCA has to offer. There is no desire to achieve anything more or anything less than the YMCA and everything we do, we do together. Long may it continue".
