To all Parents/Carers,

22/6/18

It's fair to say, this week has been all about sports! Every child, at one point or another, has taken part in a Sports Day and I'd like to say a huge well done to all the children for trying their hardest and a huge thank you to all the parents/carers for attending in such numbers! The weather was much kinder than last year too and we didn't see a drop of rain all week – which is most unusual!

It was also another opportunity for the children to showcase their Growth Mindsets and remind themselves that the most significant learning takes place in adversity, or when we fail...or in this case, when we drop the potato from our spoon and narrowly miss out on winning!

In other news, straight after school on Thursday there was the long-awaited E-Safety session with Traci Good (a crèche service was also offered). Based on the feedback from parents/carers it was extremely useful and highlighted some of the key issues surrounding online gaming ('Fortnite' at the moment), social media and managing the electronic devices your children have access to. Despite it being well advertised, there were fewer parents/carers than expected so we are considering whether to run it again in the Autumn Term. Such is her reputation; Traci is not cheap so we will have to assess whether more people would attend next time!

On the subject of money, and as I have mentioned in other Weekly Words, we are acutely aware of how much money has been requested this year (trips, sponsorship, donations etc) and this is something we are currently reviewing for 18/19. Please be assured that we always try to minimise any kind of cost and we will continue to do so as much as possible. Thank you for your continued support.

Finally, the forecast is scorching for next week so make sure your child has suncream, water and a hat!

Have a good weekend,

Mr I. Johnson
