

You asked, we achieved!

2023-24 School Council review

The School Council's slogan is 'Everyone Gets a Voice' and our work in the academic Year 23/24 is proof of that!

School Council reps spoke to their classes during the year to find out what they would like to see in school and many of these ideas are now in place:

You asked for plastic pen recycling.

Each class will be receiving a box in the coming weeks for this and then Mrs Henson along with the School Council reps and Green Guardians (ECO Council) will collect them at regular intervals to be recycled.

You asked for a pet in school.

We now have regular therapy dog visits in school.

You asked for books in The Calm Cove outside.

There is now a trolley full of books out there that can be accessed.

You asked for The Golden Table to return in the dinner hall at lunch.

The midday supervisors have now started this up again.

You asked for a Friendship Bench in the KS1 playground.

Three lovely labelled benches are now in place.
