Vision statement:

It is our vision that within Art at Markeaton Primary School, children will embrace their ideas and thoughts and become artists in their own right. In order to achieve this, children will be given opportunities to explore and interpret a variety of well represented artists; forming opinions and finding what inspires them along the way.

We will teach Art by studying a range of artists, from a range of backgrounds, and by encouraging children to embrace Art as a form of expression. We will celebrate Art involving the local community and celebrates our local heritage.

At Markeaton Primary School we are committed to developing a clear progression of skills and knowledge as children make their way through school. Their learning will build upon broad and creative experiences and an understanding of how Art has shaped the history, culture, faith, creativity and wealth of our country and the wider world.

Children will leave Markeaton Primary School equipped with the tools and techniques to express their thoughts and ideas creatively.
