2<sup>nd</sup> February 2024

### Y5/6 Raspberry Pi Coding Club

Dear Parents/Carers,

Coding club for Y5/6 children, will be resuming on Monday 26<sup>th</sup> February (3:30pm - 4:30pm). To fully engage with the club it would be helpful if your child had a little bit of experience with coding or using the program Scratch, but it is not essential. We hope to cover a range of different coding/programming topics so the children can have awareness of all the things they can do with a computer.

We will send an email to confirm whether your child has a place. The club is limited to ten places and so is on a first come first served basis. Don't worry if your child misses out, they can be put on a waiting list and we may be able to offer more spaces in the future.

The club begins on Monday 26<sup>th</sup> February and the last session this term will be held on Monday 25<sup>th</sup> March. Please note **there will not be a session on Monday 4<sup>th</sup> March** when we have our Parents Evenings in school.

Many thanks,

The Office Team
