Home Learning

In light of everything that is happening at the moment and the high likelihood of some children having to stay at home for an extended period of time, we have set up a new page on the website called 'Home Learning'.

<http://www.markeaton.derby.sch.uk/Home-Learning>

Here you will find loads of resources, some of which school subscribes to, for you and your child to activate their learning from the comfort of their own home! We have tried to arrange them in a way which makes it easy to understand – some of them you will need to create an account (all of them are free) and some of them you may have to use an existing username and password e.g. TT Rockstars.

Websites/software we currently subscribe to and your child may have a login:

- <https://trockstars.com/>
- <https://www.spellingshed.com>
- <https://www.mymaths.co.uk>

Free websites/resources which we use in the classroom:

- <https://www.gonoodle.com>

Paid resources we currently subscribe to (all children will be sent home with a letter with their own username and password on):

- <https://www.educationcity.com>

Other websites/resources/videos which we think your child will enjoy (but may require you to sign up):

- <https://www.oxfordowl.co.uk/for-home>
- <https://www.parentkind.org.uk>
- <https://www.facebook.com/groups/231302924070344>
- <https://www.twinkl.co.uk/sign-up>
- <https://www.teachyourmonstertoread.com>
- <https://www.bbc.co.uk/bitesize/primary>

What we are also working on is a rough kind of timetable for children and their learning. Of course, this is entirely optional but it may help when deciding what to do and when.

Mr I. Johnson
