Parent/Carer update  
10.4.2020

To all Parents/Carers,

As I sent home a letter earlier in the week, alongside the letters from your child's class teacher, today's update is very brief. I am sure you have received enough emails for one week from school!

### **Free School Meals**

Mrs Gray in the office, who has been managing the Free School Meal vouchers incredibly well, has been in touch with those families entitled to a free school meal at different intervals. Due to the demand for these vouchers nationally there is a small delay from the government but I can assure you we are doing everything we can to resolve it and get them to you. Mrs Gray, as she has been, will let keep you up to speed on this.

### **E-Safety**

Whilst the school is closed, and there is an increased likelihood of children spending more time on tablets and other electronic devices, we would like to provide you with as much up-to-date guidance on E-Safety as possible. An email will be sent out next week with some handy links to websites offering advice and free resources.

### **Royal Academy of Arts competition**

One last push for the competition from me...I understand it is possible to submit the work yourself on their website but if you want school to do it for you then email it across with the permission slip.

That's all for now. Enjoy the sun (but remember to stay at home at the same time!)

Take care and best wishes,

Mr I. Johnson
