

TIME Travellers

Our topic will cover different enquiry paths over the term:

1. What happened before history?
2. Could you survive the Stone Age?
3. What's been left behind?
4. What is an Ice Age?
5. Did Prehistoric Man really live in caves?
6. What is Stone Age art?
7. Why did the Romans invade Britain?
8. What did the Romans do for us?
9. Can we build a Roman Fort?
10. Why did the Romans win so many wars?
11. Can we create a podcast?

Each week, the children will study cross curricular skills and knowledge in their topic sessions. You may wish to work alongside your child at home using the titles as a guide. Perhaps you could help them research and respond to their homework grid— 60 points by Friday 11th December. (Submitted through TEAMS)

PE KIT

Please ensure that your child is dressed in their PE kit on their PE days. They will need: black shorts, a white T shirt, pumps or trainers and a separate jumper or tracksuit top. We do not allow jewellery in school but if your child does wear stud earrings, they must be removed for PE sessions or alternative arrangements made. Long hair needs to be worn up and all clothing labelled. As the weather gets cooler, it is advisable for you to send your child with outdoor PE kit such as a dark coloured tracksuit and trainers.

Microsoft Teams

Please make sure your child knows their Microsoft Teams login and password. Any home work and home learning will be set in the assignments tab. Miss Herriman has made some walk-through videos to guide you through the use of Teams and links have been sent out via Parent mail.

Year 5/6 Team

The members of the 5/6 team are always willing to discuss any issues or worries concerning you or your children. Please e mail or call the school office to make an appointment if there is something you wish to talk about.

Rm 2—Mrs Edge and Mrs Donnelly
Rm 8—Miss Hawley
Rm 9—Miss Herriman
Rm 10—Mr Holmes and Mrs Donnelly

TA Support—Ms Morrison, Mrs Outten Mann, Mrs Bradshaw, Mrs Yeomans, Mrs Alvey, Mrs Guest, Mrs Ruston, Miss Ollett, Mrs Elston.

THANK YOU

HOMEWORK

In addition to the Homework Grid, there are other areas of the curriculum for which homework is set:

Reading: All children should read for at least 20 minutes, at least 3 times a week, either alone or with a family member. The children must record their reading and each week, complete a Reading Race challenge question—all in their purple reading journals.

BOOK RECOMMENDATIONS:

<https://www.booktrust.org.uk/books-and-reading/our-recommendations/>

Maths:

Your child will receive a piece of numeracy homework each week. This is to be completed online and you will receive more information about logging on and accessing the homework soon.

Spelling Shed and TT Rockstars: These online games and activities are available for your child to practise their basic maths and spelling skills.
