

ECO Council Meeting 17.1.24-Minutes

All members present except Year 5 rep

*All welcomed to the meeting by Mrs Henson.

* Voting forms for the new ECO Council name given out and reps given the opportunity to choose their favourite three from all the suggestions. Mrs Henson will then count up the results and reveal the winning name at the next meeting on Wednesday 7th February 2024.

*Mrs Henson then talked through the ECO review (the next step on the journey to becoming an ECO school) and how we need to carry it out to work out what we already cover in school and any areas that we need to work on. Each year group of the ECO reps then picked a topic they would like to carry out in the review, leaving the other four to be filled in at the next meeting. Mrs Henson to get the right paper work to the right year group and to send an email to teachers to explain what needs to be done.
