

ECO Council Meeting 1.5.24-Minutes

All members present except one Year 6 class and FS2.

*All welcomed to the meeting by Mrs Henson.

*Mrs Henson talked through how she had looked at the areas we had chosen from the ECO review to work on in school and picked out the questions in these areas- Water, Litter, Marine and Additional that we had answered no to and collated them on to tables.

*Above mentioned paperwork then given to mixed Year groups, Year 1 and 6, Year 2 and 5 and Year 3 and 4 to look through and make notes as to whether they thought they can be achieved by us in school and how.

*ECO Council/Green Guardians discussed what they had put on their paperwork. Mrs Henson to now collate these ideas ready to chose a select few to run as projects in school.

*Mrs Henson gave out Green Guardians logo competition to each classes' reps and explained and agreed to email teachers to explain this and allow reps some time to explain it to their classes.
