

Laura Martin's Biography

I have two children at Markeaton and have always been impressed by the strong community feel within the school and was keen to see how I could contribute, so I joined the Board of Governors in 2019 and became Chair in September 2021.

I have 20 years' experience in safeguarding vulnerable adults and children within the criminal justice process and I currently work for a county wide charity.

The school, and the governors, have been on quite a journey over the past few years – I continue to be immensely proud of all the staff and pupils and look forward to continuing to support the school moving forward.
