

Dear Parent/Carer,

We hope that your child is enjoying the activities for their at home learning journey so far! Please find below an 'At Home Learning Grid' which details English/Phonics, Maths and Topic activities for the next two weeks of learning. This grid is a suggested approach to the activities but, as before, activities can be completed in any order. Where possible, online activities have been selected to be compatible with tablets but this is not possible with all activities. Please refer to the previous information regarding home learning for Weeks 1 and 2 for information on login details, accessing websites for learning etc.

Many thanks, the FS2 team.

Week Three			
	English/Phonics	Maths	Topic
	Please use your child's Education City account to access this week's English/Phonics activities.	Please use the White Rose Maths website (>> Home Learning >> Early Years>> Week One) in order to access Maths learning. This Maths learning is in the form of daily activities centred on the text 'We're Going on an Egg Hunt' as a starting point. If you do not have this text at home, other similar stories can be shared or the activities can still be accessed without referring to the text! https://whiterosemaths.com/homelearning/early-years/	Please access Education City activities/Explorify activities as indicated below.
Monday	Goat Load: vowel digraph 'oa'.	Week 1, Day 1 – Egg Hunt	Education City: Four Seasons
Tuesday	Woolly Watch: cvc words.	Week 1, Day 2 – Egg Box Play	Explorify: Year 1 – 2 Spring Flowers
