

## Careers Related Learning

Learn by Design have created another couple of resources that can be used for home learning.

Download them here:

[KS1—I Am Proud of Who I Am](#)

[KS2—I Am Proud of Who I Am](#)

They've been produced to guide children on their journey to celebrating their skills, successes and career aspirations.

The Key Stage One resource aims to promote keeping positive skills by getting children to write about their uniqueness, quirks and what makes them special. It encourages children to begin thinking about dream jobs and gets children to think about their favourite subject and what it is that they like about it.

The Key Stage Two resource has been designed so that children can begin taking an active interest in different vocations and exploring career paths. This has been designed to be reusable—it can be updated every so often as children discover more career paths.

These resources link together PSHE and English Literacy writing.

## DCCT Virtual Lessons Week 6—Super Schools

To access this week's virtual lesson timetable and the resources to go with it please click [here](#).

## The Ickabog by J.K.Rowling

Spotted on Twitter:

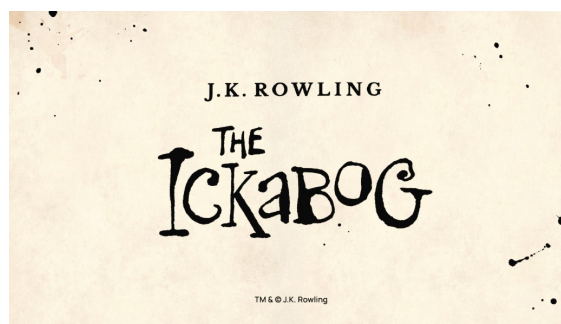

Post Book World @BookWorld · May 26

A new children's book "The Ickabog" by J.K. Rowling @jk\_rowling is a surprise gift for children in lockdown, FREE, published as a serial, from May 26-July 10, and in November as a book. Children are encouraged to submit illustrations! @Scholastic

Children are invited to enter the illustration competition with a chance for the artwork to be included in the published edition in November 2020.

On The Ickabog website you can [read the story](#) and find out more about the [illustration completion](#).

## Derby Museums Virtual Tours

You can now experience the Museum & Art Gallery in virtual reality! Explore the Joseph Wright Gallery, take time to learn about natural history in Notice Nature Feel Joy and wander around the Soldier's Story Gallery. The exhibition galleries on the top floor are always changing.
