Guidance

Help primary school children continue their education during coronavirus (COVID-19)

Advice for parents and carers looking after primary school children.

The government have provided advice for parents and carers of primary school children. This first webpage includes sections that cover structuring the day and using digital devices before going into more specific advice linked to Reception, Year 1 and 2 and then to Years 3 to 6.

Guidance

What parents and carers need to know about schools, colleges and other education settings during the coronavirus outbreak

Updated 20 May 2020

This next webpage contains guidance for parents and carers while schools are closed. We've referred to this second webpage in a previous bulletin, but please be aware these pages are continually being updated. This one includes, among other things, sections about admissions, resources and support available.
