

The Amazing Americas!

Your mission is to score **50 points** by **Friday 15th July**.

Tick and date each task as you complete it.

| | | | |
|---|--|--|---|
| <p>Create a newspaper report about the Mayans discovering the cocoa bean.</p> <p>15 points</p> | <p>Design and make a junk model Mayan city.</p> <p>10 points</p> | <p>Create a fact file about a country in North or South America. You must include information about its population, climate and significant landmarks.</p> <p>10 points</p> | <p>Imagine you have just moved to a large city from a small village. Create a diary entry detailing your first day in the city.</p> <p>10 points</p> |
| <p>Create an elaborate headpiece fit for a Brazilian carnival.</p> <p>15 points</p> | <p>Create your own model volcano!</p> <p>15 points</p> | <p>Write a performance poem about the amazing Americas. Be as funny and entertaining as possible!</p> <p>10 points</p> | <p>Go on a walk around your garden or local area. Which rocks can you find? Can you identify if they are igneous, sedimentary or metamorphic?</p> <p>15 points</p> |
| <p>Bake carnival themed cookies or cakes. They must be colourful and taste as good as they look! Alternatively, you could make a traditional American dish.</p> <p>10 points</p> | <p>Create calculations using the ancient Mayan number system.</p> <p>5 points</p> | <p>Imagine you are a travel agent. Create a brochure (this could be done using a laptop) advertising a country in America as a tourist destination. What is there to do? Where might tourists stay? etc.</p> <p>10 points</p> | <p>Create a quiz to help people remember the countries located within North OR South America.</p> <p>5 points</p> |

Your class teacher will showcase homework on a Friday.

Please upload homework to teams using the class notebook section. This makes it much easier to find all the work! However, if you are unable to upload it online, your child can bring their homework in on Fridays.

Work that has had a lot of effort put into it will be added to our homework stars wall of fame.

Thank you,
The year 3 and 4 team.
