**Tuesday English: Story starter**

His eyes blinked. They were the only part of his body that he could move: he was entombed in ice, and had been for some time. The person that had put him here was far away by now.

Glancing around in desperation he tried to move his aching body, but it was no good - there didn't seem to be a way out. Time was slipping away... He had to escape. If he didn't, then darkness would cover the world...
