Week 9 Home Learning- Year 3

Monday	Tuesday	Wednesday	Thursday	Friday
English **CREATE** Create a character out of paper. It can be human, animal, alien or robot. Give it a name. Give it an age. Give it a job. Now write about how it looks and its personality. Is it tall? Short? Fat? Thin? Friendly? Mean? Loyal? Dishonest?	**English/SPAG** **PLAN** With the character you created yesterday, you need to plan a story for them! Think about the beginning, problem, resolution and ending of your story. Draw a storyboard for this. If you need help, watch the clip below on storyboards: https://www.youtube.com/watch?v=6aTnEanIXBk	**English** **DRAFT** Using your character and storyboard, you now need to write a script. In a script you need to show the speaking parts and stage directions separately. Have a go at writing your own. If you need help on how it's set out, look at this example: https://www.google.com/search?q=play+script+example+for+ks2&source=lnms&tbm=isch&sa=X&ved=2ahUKEwjH-I2FnszpAhUNTBUIHVgmC4UQ_AUoAXoECBAQAw&biw=1366&bih=657#imgrc=1z2pthfB02O7KM	**English/SPAG** **REVIEW** Today you need to review your script. Speak it out loud. Does it make sense? Is there anything missing? Is it entertaining? Is the punctuation and spelling correct? If not, fix it! Use this website to help you with spelling: https://www.dictionary.com/	**English** **PRESENT** Today is the day you present your script. You could read it out loud to someone in your house, read it to someone you know on Zoom/FaceTime or act it out on video. Did they like it? How many stars out of 5 would they give it? If you want, you can send your work to Miss Hawley or Miss Clark. We'd love to see it! homelearning@markeaton.derby.sch.uk
Maths **MyMaths** Greater than and Less than	**Maths** **MyMaths** Estimating Amounts	**Maths** **MyMaths** Number and place value 3- OW	**Maths** **MyMaths** Number facts and doubles 3	**Maths** Online Sudoku. Each line must add up to 10. Can you do it? There are 3 levels: easy, standard and difficult. There's a timer but that's to beat your own time. How long will it take you? https://mypuzzle.org/sudoku-for-kids
Topic What is a landscape? What is a viewpoint? What is perspective? Research the above questions and find out the definitions. You will use these in your artwork this week	**Topic** What is the difference between a human feature and a physical feature of an environment? Can you list some of each feature? Where in the world might you find these features?	**Topic** When creating landscapes the key points are: Horizon line (where sky meets ground) Vanishing point Verticals remain vertical Objects in foreground appear larger Background objects smaller and faded. Can you look into these and have a go at creating your own landscape? Maybe put a house in the background and flowers in the foreground. Watch: https://www.youtube.com/watch?v=v368l7nAltE	**Topic** Can you create an Island that contains both physical features and human features? It can be as silly as you want! A waterfall going into a cave of skittles, or a river of glitter flowing through a jungle with Lions and dinosaurs!	**Topic** Using perspective, can you create a cityscape? Think about how houses appear smaller the further away they are. Watch this to help: https://www.youtube.com/watch?v=twcFW0RyOO8
Wellbeing Draw around someone's hands or feet. Can you turn them into an animal or a character?	**Wellbeing** Say 'hello' in 15 languages: https://app.gonoodle.com/activities/how-to-say-hello-in-15-different-languages?s=category&t=Boost%20Confidence&sid=19	**Wellbeing** Collect lots of natural objects, leaves, stones, flowers to make a picture.	**Wellbeing** Release your warrior: https://app.gonoodle.com/activities/release-your-warrior-1?s=category&t=Boost%20Confidence&sid=19	**Wellbeing** Make up a handshake with 5 different actions. Can you try it out with someone in your house?
