The power of an active school...

In 2018-19 we have supported schools through...

Creating a culture of active, healthy learners

26 minutes of additional physical activity were added to the school day in our Active Schools.

Boosting learning and achievement

75% of staff reported pupils were better engaged in lessons after physical activity.

Ensuring the inclusion of all young people

10 special schools supported and SEND specific opportunities provided in **15 mainstream schools**.

Building knowledge, skills and confidence

125 teachers mentored each year with all reporting improved confidence and/or competence.

Sharing good practice and high quality tools and resources

230 delegates at our Active Schools Conference inspired to create a culture of active, healthy learners.

Supporting staff with their health and wellbeing

100% of teachers increased their confidence in supporting mental health issues after attending our Mental Health First Aid course.

Developing life skills to improve health and wellbeing

54% of pupils increased their emotional health and wellbeing scores after being part of an Active School.

Tackling inactivity and improving physical literacy

11,000+ pupils were inspired to become active at **200+ events** and **580 children** enjoy taking part in weekly after school clubs.

Improving behaviour, concentration and readiness to learn

76% of pupils improved their physical development, supporting better handwriting and concentration in lessons.

Engaging families to advocate the importance of being active and healthy

180 parents engaged in our Healthy Lifestyle workshops to encourage an increase in physical activity and healthy eating.

Changing attitudes towards health and wellbeing

968 adults regularly engaged in our physical activity and health programmes to support a whole family approach.

Promoting opportunities to lead an active, healthy lifestyle

600+ children participating in weekend and holiday programmes beyond the school environment.
