

Minutes from the School Council Meeting

Monday 17th February 2022.

1. Mr Holmes' Class (Spruce)

We suggest bringing the 'Golden Table' back at lunchtime to help people to be better behaved and give a reward to children who show good manners and respect the Dinner Supervisors.

The golden Table is a special table at the front of the hall with special drinks, cutlery and decorations.

Ask your class if they like this idea.

Take a vote and bring the decision to the next meeting.

PS – If you get a dirty tray or piece of cutlery, put it back in the washing up and take another one!

2. Miss Hawley's Class (Holly)

People in our class do not like the fish burger option on the menu.

Ask your class if they like or dislike the fish burger.

Take a vote and bring the decision to the next meeting.

Tell your class that Mrs Stoodley has to make meals that are affordable and meet the healthy guidelines she has to follow.

3. Mrs Clayton's Class

We are putting together an idea for a special Pyjama day for charity.

ONLY MRS CLAYTON'S CLASS

Talk about your proposal and bring the details to the next meeting.

4. Mr Holmes' class (Spruce)

What other 'Bees' can we have in school?

Suggestions from School Council are:

Lego, Landmarks, History, Books, Maths, Space, Sports and Movies.

Ask your class for their ideas for our next 'Bee' competition.

Choose a winning idea and bring it to the next School Council for discussion to take the idea to Mr Johnson.
