

Minutes from the School Council Meeting

Monday 17th January 2022.

Apologies from school council members in Miss Gamble's, Mrs Donnelly's and Mrs Edge's, Miss Payne's and Miss Hughes's classes due to swimming and school photographs. Mrs Henson (school council coordinator) will catch up with these children separately.

1. Outstanding badges were given out to school council members who had not already had theirs and quick reminder was given to remember to wear them every day.
2. The school council member from Miss Hudson's class told us that the other school council member had left school and we decided that Mrs Henson would look back at the original application forms and organise a replacement.
3. Mrs Henson explained the school council logo competition (see attached sheets) and informed the school council members that their teachers had been told they would need 5/10 minutes in the next couple of days to feed this back to their class. It was also explained that they would need to collect the entries from their classes and bring them to the next meeting so 1st, 2nd and 3rd place winners could be chosen from KS1 and KS2 and an overall winner picked from the two first place winners.
4. Mrs Henson explained that it would be good practice for us to have a school council vision in place that we can share with the whole school so they know our intentions. We looked at some examples from other schools and discussed the language in them. A sheet (see attachment) was then given to all school council members for them to put their ideas on ready for discussing at the next meeting with the aim of having our school council vision in place ASAP.

***Next meeting Monday 17th Feb 2022, 10.15am in the downstairs hall.**
