

Weekly Word

22/12/2021

To all Parents/Carers,

Well, there it is, we near the end of 2021 and 2022 is just around the corner!

The children have enjoyed lots of Christmas themed activities this week and really got into the spirit of things! We've had Santa Dashes, parties, craft and a mischievous elf among other things!

We've also had the odd Christmas movie thrown in as well!

I will keep it short and sweet this week! I just wanted to say thank you for your continued support since September and for your understanding throughout the many covid related disruptions this term. We know it's starting to feel a little bit uncertain again but all being well we will be back with you on the 10th as planned.

Have a lovely holiday and new year and see you soon 😊

Mr I. Johnson
