Our vision for Markeaton Sportspeople

*At Markeaton we want **all** children to have the opportunity to immerse themselves in a rich, inclusive and varied menu of physical activity which brings them joy. We want them to enjoy movement and exercise and teach them how a healthy and balanced lifestyle can promote better wellbeing and a positive attitude towards learning. We want them to have the confidence to participate and learn the values of competing as an individual and as part of a team. As a school we want to maintain our Platinum Award status and ensure that the PE/Sport Premium is used to:*

- develop the skills and knowledge of teaching staff;*
- be part of a wider sporting community;*
- enhance resources within the curriculum.*

We want sport and PE to be part of the children's lives into and beyond adulthood and for them to share their experiences at Markeaton with a smile on their face.

What actions will you take in your subject to help improve the children's ability to read and/or apply reading skills?
