## Care Curiosity Determination

---

Dear Parents/Carers,

As part of your child's education at Markeaton Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is a curriculum subject which gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

We are writing to let you know that on the week beginning 14.07.25, Year 4 will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. Lessons will include pupils learning about growing up and changing, puberty and personal hygiene.

Children will be taught in class groups and there will be an opportunity for them to ask anonymised questions. All teaching and learning will be age-appropriate and will not affect the rights of the child. If you have any questions, concerns, or would like to view some of the teaching materials to best support your child at home, we have a drop-in Teams call available on Tuesday 27<sup>th</sup> June at 4:30pm-5:00pm with the year 4 team and Mrs Nannua (PSHE lead) which can be found here:
