ACTION PLAN 2023-24							
Date:	11/09/23	Subject/Focus Area:	Reading	Completed by:	HG		
Links to Whole School Development Priorities (please tick the last	1. To develop and embed the use of technology across the curriculum						
column to show which priority your subject targets link to)	3. To improve progress in Writing and Maths from Y2 to Y6						
	4. To design and deliver a	program of CPD to subject leaders from loc	cal schools				

Vision statement:

At Markeaton Primary School, we are committed to inspiring a love of reading at the heart of English and we aim to instil a passion and enthusiasm for reading for pleasure in every child. It is our intent, that with this at the core of our values, we can provide each child with the opportunity to explore the world around them and widen their experience and imagination through reading. To achieve this, we will provide children with the skills to critically evaluate texts and explore the tools and techniques employed by the writer. During their time at school children will be taught to read and write using a systematic synthetic phonics programme.

We want our children to leave Markeaton with a rich vocabulary that provides them with the ability to play and manipulate language; recognising the nuance of meaning and how language can be used for a range of purposes. We want children to have the confidence to be able to communicate effectively and get their meaning across in a variety of situations' both now and in the future.

	Curriculum Family Target To plan and deliver a whole school ARTS week with the theme, 'Our World' (17 th -21 st June '24 TBC)
