

SEND ACTION PLAN 2023-24

Date: 4/9/2023

Subject/Focus Area: SEND

Completed by: E Balfour

Vision statement:

We want every child with SEND to experience a full and immersive curriculum which allows them to explore their potential and make progress. We want them to feel safe and happy in school and develop fully to their potential.

We want children to build positive relationships with their peers and their teachers and feel confident about the world around them; employing each of their Markeaton MINDS values when they are faced with challenges and being positive about each stage of their educational journey.

We want this journey to be enhanced and developed alongside parents/carers and outside agencies; working together to ensure that their child achieves the best possible outcomes
