

# WE NEED YOUR HELP

To all Parents/Carers,

It is fast approaching the time where we will need to find some new PTFA volunteers! The current team, some of whom are stepping down, have done an absolutely phenomenal job and without them we would not have had some of the great events that we have experienced in the last three or four years.

**However, all good things come to an end and now we need a new group of volunteers!**

It goes without saying, if we don't have a PTFA then Christmas Fairs, Summer Fairs, Discos and lots else simply would not go ahead. So if you can spare some time or a lot of time and you would like to get involved then please drop me an email (send to the office and they will forward to me) or grab me on the gate.

I think the current team and previous PTFA members will tell you, it's hard work (but not as much if there are more of you) but incredibly rewarding – especially when you see where the money is being spent and how much the events bring the community together.

Thank you in advance and I will hopefully speak to you soon...

Mr I. Johnson
