1/4/2022

To all Parents/Carers,

More fantastic learning this week both inside and outside the classroom (and out and about in Derbyshire!).

First up we have some 'live' pulleys and balances work in Science; with children acting as the counter weights! Seems like loads of fun, if not a little nerve-wracking by the looks on faces!

Second up we have the Y2 trip to Crich Tramway museum – where the children got to experience life from a different era (including dressing up) and basically spend lots of time in the fresh air! They absolutely loved it and a big thank you to all the volunteer helpers (including those who went to Cromford Mills with Y5 and Y6).

And lastly, a huge well done to all the children who took part in the Inter-House Sport Competition on Tuesday; with Boccia and Dodgeball being the main disciplines. The competition was played in a fantastic spirit and thankfully the weather just about held off. Wayne Collins, the chap from Derby County Community Trust and leader of the event, made a point of saying in assembly how respectful and polite the children were with their peers and with him and his team – a special mention worth passing on.

The winning house were Wright, with 32 points, which now means the following:

Spelling Bee Winners:	Royce
Times Tables Bee Winners:	Wright
Geography Bee Winners:	Strutt
Inter-House Sports Comp:	Wright

There are still two house competitions to go so all to play for in terms of who wins the House Cup at the end of the year!

Have a lovely weekend

Mr I. Johnson
