

Weekly Word

10.6.2022

To all Parents/Carers,

We hope you had a good holiday and managed to settle back into the first week ok – it seems to have flown by!

Top left we have children in Y5 taking part in an RE lesson all about commitment. I am told there were lots of different opinions; all of them respectful and well considered. Well done Y5s!

Middle left we have had an overwhelming response to our Big Battery Collection; led and organised by our fantastic Eco-Council. We are, so far, up to about 1100 batteries collected which is amazing. That's 1100 fewer batteries ending up on landfill so well done again to those who are making a difference. The Eco-Council are currently working towards the [Green Flag](#) award – click on the link to find out more.

Bottom left is a photo of our new tuck shop team in Y5. Before the holidays they had to apply for the job of Tuck Shop Operative (they had to complete an application form and everything!) and then those that were successful were recruited. Day one and the queue (selling apples, oranges and pears) was enormous! They have to order the stock, count the money and keep the customers happy – thus far they are doing a great job and they are learning some really useful enterprise skills.

And finally, the PTFA have asked me to remind you to check the children's bags tonight as there is a flyer going home about the Summer Fair. In case you missed it, Saturday 2nd July: 2pm – 5pm. Project D, Penalty Shootouts, Markeaton Bakeoff and lots and lots more to look forward to.

I hope to see you all there ☺

Have a nice weekend

Mr I. Johnson
