

Weekly Word

Care Curiosity Determination

11.7.2025

To all Parents/Carers,

Wow – it certainly has been hot this week!! And it looks set to continue over the weekend and into next week. Please keep an eye out for any additional emails or messages about keeping safe in the sun at school and whether or not the children can come to school in their PE Kit – this seems to have worked quite well overall.

Top left children in Y3 have been learning all about the artist Degas. Even from just the photo you can see the level of **care** and **determination** that is going into those finished pieces!

Middle left we have one of many photos of the Y2 visit to the beach last Friday. The children had an absolutely amazing time. Apologies the coach was a little late in arriving back to school but I think it was worth it! Thank you to all the adults that came along to support 😊

Bottom left, one of many photos of children in the forest school area. Myself and Miss Ball were in there yesterday with FS2 and it was great to see them engaging with nature in such a positive way (plus it was much cooler in there than the rest of the school!!).

In other news, quite a lot of Parents/Carers have shared their views via the questionnaire on our use of Twitter (X) to share photos. We are in the process of reviewing this and are looking to source an alternative platform going forward. As always, the questionnaires have offered some really interesting insight into lots of different areas of school life so thank you for your time and effort in completing them.

The results, when ready, will be shared on the website [here](#).

Have a lovely weekend and see you next Monday (or later at the discos!) 😊

Mr Johnson

This week's attendance is 95.7%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are Y4 97.8%
