Care Curiosity Determination

12.7.2024

To all Parents/Carers,

First and foremost thank you to everyone that attended and/or helped with last Saturday's Summer Fair. The rain just about held off, despite a slight downpour, and we ended up making over £3000! I hope you had a great time and thanks again to the PTFA and all the willing volunteers for making it happen 😊

Top left, children in FS2 have been learning all about Alma Thomas. She has a very unique style and as you can tell from the photo, it is a lot of fun trying to recreate her masterpieces!

Middle left, it was the turn of our Y2 children to visit Derby Jamia Mosque. The children learnt about Minarets, Tasbihs, Prayer Mats, the Crescent Moon and Star and lots of other interesting things about Islamic faith. Thank you to all the adult volunteers who came along for the trip.

On the subject of trips, children in Y3 and Y4 also went to Cadbury World earlier in the week and as you can tell from the photos, it wasn't just about tasting chocolate!! They learnt about the history of chocolate and its Mayan origins. Again, thank you to the volunteers who came and helped.

And finally, thank you to everyone that has completed the end of year questionnaire (see link attached to the Friday email if you haven't done it already). We have had 160 responses so far so we are well on track to beat last year's total of 190. Your feedback is invaluable and in September we will tell you what we have done in response. One thing that has cropped up a few times is clubs and how you would like a bit more variety when it comes to sports. We have approached Derby Trailblazers (basketball), local tennis coaches and a local Taekwondo club to see what their availability is for next year so watch this space..

Hope you have a good weekend and let's keep our fingers crossed for the England match!

This week's attendance is 96.1%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y4 98.2%
