## Care Curiosity Determination

13.10.2023

To all Parents/Carers,

Ok now Autumn really feels like it's arrived – plenty of rain, plenty of cloud and definitely a drop in temperatures!

There will come a point in the not too distant future where children will go on the field when it's wet but they will need a pair of wellies to do so. At some point between now and the end of this half term, can you locate your child's pair of wellies on the racks outside and under the shelter and maybe just check to see if they still fit. If they don't, I'd like to propose a 'welly swap' where children donate their old pair and grab a new one from those we have been given. If they do fit, can you just put your child's initials (if they aren't on there anyway) somewhere visible. We'd like to try and reduce any additional costs for families and this seems like a good start. Keep an eye out for messages and I'll perhaps put some tables outside advertising what to do.

In other news, some exciting and diverse learning going on in school this week; ranging from woodwork and wattle and daubing in Y3 and Y4 (top left), to playing brass instruments in Y5 (middle left) to number square work in the Y1 continuous provision setting (bottom left).

And finally, a huge well done to all the girls who took part in their first match of the season last night. Although they lost their two opening fixtures, both matches were incredibly close and could have gone either way.

At this moment in time we have nearly 50 children signed up for both girls' and boys' football which is great to see. Y5 also entered an invasion games tournament this week and next Wednesday Y3, 4, 5 and 6 are at a cross country event. Lots and lots of sport to look forward to!

Have a lovely weekend  
Mr I. Johnson

This week's attendance is 97.3%. Our target for the year is: 97%  
The year group(s) with the highest attendance is/are: Y2 99%
