Care Curiosity Determination

13.12.2024

To all Parents/Carers

I can't believe we are only one week away from breaking up for the holidays! This term has absolutely flown by. And we've had an Ofsted inspection thrown in amongst it all!

A few parents/carers have asked if the outcome of the report can be shared yet. All I can say at this stage is we have seen the draft, sent it back and now we are just waiting for them to give us the green light. Originally they said the new year but if it does land any sooner then we will let you know.

Back to what's been going on in the classroom...

Top left, and I saw this first hand this morning, children in Y5 have been making bridges. They talked so articulately about cantilevers, compression points and all kinds of bridge related vocab! The end results are fantastic – well done to Y5 😊

Middle left, in Y2, they have been learning all about lifecycles in Science. Looks like they have done some great work in their books. And bottom left, we have a photo of the recent Y1/2 trip to the Pantomime to see Cinderella! The children loved it...a big thank you to all the parents/carers who came along and supported. Without your help these trips simply can't happen so again, a huge thank you.

Finally, one last thank you to everyone who has brought in a spare Christmas Jumper which we can give to children who haven't got one. We really appreciate it and we are still open to donations.

Have a lovely weekend

Mr Johnson

This week's attendance is 96.5%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are FS2 97.8%
