Care Curiosity Determination

14.11.2025

Dear Parents/Carers,

We've seen a lot of rain (and a tiny bit of sunshine) this week but that hasn't stopped the children getting out and about! Top left we have children in Y2 working together to complete an outdoor learning challenge. Could they work in teams to create a number line using loose parts? You bet they could! Bottom middle we have our Y6 Cyclocross Team who only went and won the competition!! Well done to them, they were great 😊. Middle left we have children in Y4 creating more brilliant things with loose parts – this time timelines of Queen Elizabeth I's reign. Can you guess what the timelines are depicting...?

In other news, our Class Dojo pages have finally gone 'live'. Thank you for your patience with this whilst they have been set up. I hope you are enjoying them and seeing learning from your child's classroom.

And finally, another reminder that our Christmas Fair this year will be held on Friday 5th December – straight after school. Keep an eye out for future emails about toy and book donations from the PTFA/School Office.

Have a lovely weekend,

Mr I. Johnson
