Care Curiosity Determination

14.3.2025

To all Parents/Carers,

If you looked up to the sky early on Tuesday morning you may have seen what looked like a UFO with smoke billowing out the back fly over the top of school.

Well if you missed it, the Y1s certainly did not! And they even found parts of the UFO scattered all over the field...the plot thickens. Some amazing work in the classroom came from this and we are still none the wiser as to what happened after it had disappeared. Please contact school if you have any information.

Meanwhile, children in Y3 and Y4 have been spending some time with the Open the Book team – learning all about the Easter story. They also learnt about what forgiveness is and why it is important.

Bottom left, children in Y2 had a fantastic trip to Sudbury Hall. They learnt loads about the past and specifically toys from the past and what they were like to play with. Thanks to all the adult helpers who came along – we really appreciate it 😊

And finally, this is a heads' up about the upcoming [Big Walk and Wheel](#) event. It is something we have done every year for the last 5 or so years and it's basically a national initiative to get children coming to school in something other than a car. It's also a competition with some really good prizes up for grabs.

Basically, on each day of the challenge, schools compete to see who can get the highest percentage of their pupils walking, using a wheelchair, scooting or cycling to school. **We can win this!**

Have a lovely weekend,
Mr Johnson

This week's attendance is 97.5%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are Y6 99.5%
