Care Curiosity Determination

15.11.2024

To all Parents/Carers,

More sewing this week, this time in Y2! The fine motor skills on display were fantastic and the puppets, which are close to completion, look like the real deal!

Middle left, in the glorious sunshine, we have children enjoying the all-weather pitch as part of their PE lesson. Each week the children have at least two hours of PE (either outside or inside) as stated in the National Curriculum and they do experience a fair few different sports! I've seen basketball, dodgeball and badminton just this week!

Bottom left we have some children taking part in a bit of roleplay Q&A. One of the children is Claudius and he is making the final decision on whether to invade Britain. Can you tell who is Claudius and why...?

In other news, I hope your meeting with your child's teacher was useful and effective. If for whatever reason you were not able to attend then please contact school to arrange an appointment. The next meeting for all parents/carers will be just after February half term.

And finally, two bits of exciting news. Firstly, the first edition of the Markeaton School Newspaper is about to start production. A big thank you to all the children who expressed an interest. Secondly, our Y5/6 Cyclocross Team came third out of eight schools yesterday! In sunny but fresh conditions, the team did brilliantly – well done to them!

Have a lovely weekend,
Mr Johnson

PS – we raised £330 for Children in Need! Thank you 😊

This week's attendance is 97.2%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are Y4 99%
