Care Curiosity Determination

17.11.2023

To all Parents/Carers,

Another busy week at Markeaton! Before I move on to what's been happening, a big thank you to all parents/carers and families who attended the child progress meetings this week. I hope you had a good chance to look at your child(ren)'s books and had a good chat with the classroom teacher. It's the first time we have had face to face meetings in the Autumn Term since before Covid and they are definitely here to stay 😊

First up, top left, we have children in Y5 and Y6 at the Cyclocross tournament at Moorways Sports Village. They all did exceptionally well, despite the rain and mud, and learnt a lot about being resilient and determination!

Middle left we have children in Y2 making best use of some recyclable materials as part of their Science and DT topic. How cool are all those things they made! I love the drum kit – it's better than mine!

Bottom left, a bit more Science for you, we have children in Y5 learning about friction. There's no better way to learn about forces and all things Science than doing a great experiment. They look fully engaged that's for sure!

And finally, well done to the Boys' Football Team last night. Following a dramatic and closely fought 0 - 0 game (plus extra-time) they lost 2 - 1 on penalties to Allenton - but their heads were still up and we move on to the next match!

Have a lovely weekend

Mr I. Johnson

This week's attendance is 97.1%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y4 98%
