17.5.24

To all Parents/Carers,

First and foremost a huge well done to all of our Y6 children who completed their SATs tests this week. Each and every day they turned up for their SATs breakfast (see top left), had a hearty meal and got themselves ready and prepared – we were all really proud of them! Thank you to the fantastic Kitchen Team for making this happen, it was much appreciated 😊

Middle left children in Y1 have been making the most of yet more new resources in their continuous provision areas. This time they were making a pirate ship! A bit of warm weather didn't go amiss either.

Bottom left children in Y5 were using their iPads to interact with some AR mats to learn all about the human body. All children in Y3 to Y6 have their own device (Samsung or iPad) and it really adds something to the lesson.

In other news, next week we will be recognising Mental Health Awareness Week! The theme this year is 'Get Moving'. It is an important time to raise awareness and promote good mental health. As we have been super busy with SATs and other things this week we decided to move it ahead. Ask your child what activities they have been doing in class.

And finally, two things, please complete the Markeaton Car Boot questionnaire if you are interested in having a pitch. We are planning to use the school grounds but we need to know if there is enough interest out there. Also, some parents/carers have asked why some tweets show more for some classes than others. I can assure you that plenty of tweets are being uploaded but for some reason they are slow to reach the website. Our tech team is looking into it.

Have a lovely weekend,

Mr I. Johnson

This week's attendance is 97.1%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y2 99.6%
