

# Weekly Word

17.6.2022

To all Parents/Carers,

What a perfect sunny end to the week and a great opportunity to showcase the children in their new PE Kits! Thanks to our healthy [PE and Sport Premium allocation](#) we have been able to buy all children in school a brand new PE Kit (T-Shirt and shorts in the colour of their houses).

Top left you can see some children in Y3 wearing their new kits just before they start their sports day practice. Quite a few of them have said how smart they feel in them and how much they like them! It's Sports Days next week (Monday to Thursday) so please make sure your child comes wearing their house colours...and don't forget to warm up for the parent/carer race too 😊

Middle left we have some children in Y3 making their healthy fruit salads. They had to measure, cut and weigh all the correct ingredients...and then they got to eat them!

Bottom left we have children in Y2 having their E-Safety lesson. Each term the children in EYFS, KS1 and KS2 have a different themed online assembly. For more information visit our E-Safety page on the website (you'll find all our assemblies on there):

[E-Safety | Markeaton Primary School](#)

In other news, some lucky children in Y3 and Y4 visited Derby Theatre today to meet Zanib Mian – author of the Planet Omar books. She was absolutely brilliant and answered lots of the children's questions. We continue to try and push a love of reading in many different creative ways!

**Have a nice weekend and see you next weekend on the field!**

**Mr I. Johnson**
