Care Curiosity Determination

18.10.2024

To all Parents/Carers,

You've got to love that first photo on the left! It goes from...measured approach to, slightly more confident approach to, 'I don't care who is watching me play!' approach 😊 This is the current Y5s learning how to play trumpets and trombones. Keep an eye out for an email saying when their performance is for parents/carers – you won't be disappointed!

Middle left we have children in Y2 completing their Derby County Community Trust Halloween Challenge. They had to do burpees, push ups and mountain climbs – seems like they gave it their all!!

Bottom left, to celebrate World Poetry Day, children in Y4 were creating their very own magical poems. Some of them made their way down to my office and I was mightily impressed 😊

In other news, you may have noticed the ever increasing amount of lost property hung on the yellow fence by Calm Cove. Whilst the Y6s are doing a grand job trying to sort through it and give it back to the owners, this job is made difficult by the clothes having no names in. Please can you have a look next week to see if there is anything there belonging to you.

And finally, a huge congratulations to Royce who won the Times Tables Bee with a whopping 263 points! This was the first of our 6 'bees' throughout the year and they will be presented with the trophy in assembly. Next up after half term is spelling so if you want to get practising, check out the spelling lists for your child's year group in the 'Everything You Need to Know Booklets found [here](#). Scroll down the left to find your child's year group.

Have a lovely weekend

Mr Johnson

This week's attendance is 96.7%. Our target for the year is: 95%
The year group(s) with the highest attendance is/are Y4 96.9%
