Care Curiosity Determination

Merry Christmas  
& Happy Holidays!

19.12.2025

Dear Parents/Carers,

Well we finally made it! The Christmas Holidays have arrived and the term has finally come to an end...and what a term it has been!

First and foremost, as ever, a huge thank you to the Markeaton Community for everything you do to support the school – whether it be food donations, support for Team Frank's Disco, PTFA Fairs or fancy-dress costumes, you really have been a fantastic source of care and support and we all really appreciate it.

Things to look forward to in 2026 – well, our outdoor learning target continues to progress at great speed and we have a number of grants in the pipeline to take it even further, hopefully we will receive some good news in the not too distant future. We have also just secured a grant for the new library service in Nottingham. This means we will have access to over 1000 topic books that will go straight into the classroom! And in terms of other good news, Miss Bassnett will be expecting her first child around about Easter time and we are all so happy for her. News on her class and their new teacher will follow in the new year once we know more.

Enjoy the next few weeks and we will see you on Tuesday 6<sup>th</sup> Jan 2026 😊

Mr Johnson
