To all Parents/Carers

I realised the other day that I talk about the outdoors at Markeaton all the time but unless you actually wander to the back of the field and around the sides then there's a good chance you won't know what I am talking about!

Either before Easter (next week) or when we come back, we would love for you to take a walk and see everything we have to offer and everywhere the children are able to explore. For now though, here are some photos.

Look out for more info about Markeaton in Bloom coming soon...

Have a lovely weekend 😊
