

Weekly Word

20.5.2022

To all Parents/Carers,

Another busy week At Markeaton comes to an end...

Top left we have Y1 and Y2 children in Markeaton Park taking part in some ace outdoor learning! Thankfully the weather stayed fine and the children had a great time. Thank you to all the parent/carer helpers who supported the trip ☺

Middle left we have children in Y3 learning all about earthquakes. On this occasion the Y3s were asked to build a structure that they thought could sustain a strong tremor; check out [Twitter on the school website](#) for the videos.

Bottom left we have children in FS2 (Reception) completing a super fine motor workout whilst completing the green challenge this week! It was tricky to thread the beads onto the pipe cleaner tentacles!

In other news, the Local Authority visited us on Monday to complete a SEND (Special Educational Needs) Review. They have been doing them for three or four years now and all primary and secondary schools in Derby have to have one. In summary they said that our school was one of the best they have ever reviewed! Enough said!

And finally, two more things...

Firstly, the children were measured up on Tuesday for their new PE Kits. Once they arrive and have been sent home please ensure that it is worn on the appropriate days. If the correct PE Kit is not worn then children may not be able to take part in the lesson. This is not something we want to do but I hope you can appreciate how important it is they come dressed appropriately for physical activity.

Secondly, next Thursday is our Queen's Jubilee Day. There will be activities and a special lunch throughout the day, we just ask that you send your child in red, white or blue (or all three) on the day!

Have a lovely weekend,

Mr I. Johnson
