Care Curiosity Determination

20.9.2024

To all Parents/Carers,

The stories for the MARKEATON MINDS competition have steadily been flowing in. I have decided to extend the deadline to the end of this half term so that we have plenty to choose from.

Top left is one example about a girl called Sara who loved solving problems. Please hand any entries into me on the gate and you will get a fab sticker! As a reminder, I want children to write a story about MARKEATON MINDS that can be read in class. The winning entries will go into a proper published book! Good luck 😊

Middle left, one of many photos on X showcasing outdoor learning. Here we have Y6s pretending to be The Croods! They built shelters and made stone age weapons. Looks like they had fun!

Bottom left children in Y4 have been learning all about teeth and what foods are good/bad for them.

Healthy teeth is a hot topic with the government at the moment as nationally there is a decline in the standards of oral hygiene of children. No better way to educate children on this important topic than through the curriculum!

And finally, another reminder about the Markeaton Car Boot Sale on the 5th October. Contact the office or log into parentmail if you want a stall (£5) – and feel free to spread the word on your social media accounts! If you and your child(ren) would like to put up some posters where you live then let me know, we have plenty to spare!

We want it to be busy and bustling!

Have a lovely weekend,
Mr Johnson

This week's attendance is 96.7%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are Y4: 98.3%
