

Weekly Word

Care
Curiosity
Determination

23/06/2023

To all Parents/Carers,

It's been a week of Sports Days this week (see middle left)!! Despite the unfavourable weather on Tuesday (where we made the decision to reschedule the Y5/6 Sports Day to today) we have been blessed with some really nice hot sunny days!

A huge well done to all the children for taking part. They always do so in the best possible way and show great teamwork and support to their friends. And a big thank you as always to the Markeaton community for attending in their numbers! You really help to make them special and memorable 😊 Hats off to Harry and Finley in Y6 too for being the voices on the mic today – they did an unbelievable job!

Top left we have some children in Y2 honing their Geography and Maths skills at the same time. You may have seen on the tweet some of these symbols...

You will see these being used a lot more in the future as they represent our new school values. Can you guess which one is care, which one is curiosity and which one is determination?

Bottom left we have a visitor from someone who originates from Osnabrück! Did you know that Derby is twinned with Osnabrück in Germany? Y4 met Johanna from there this week to discuss the similarities and differences between our cities!

And finally, a big shout out from the PTFA to read their PTFA Summer newsletter this week. I know you are sent a lot of info on a Friday but please take the time to have a look at this as it has lots about the Summer Fayre and other bits and pieces 😊

See you next week and have a lovely weekend!

Mr I. Johnson

This week's attendance is 94%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y2 97%
