To all Parents/Carers,

Wow that was a seriously hot week! Absolutely glorious for Sports Days but it was a little bit warm!!

Let's start with Sports Days...a big thank you to you all for attending and supporting the children. It was so nice to have you back cheering from the sidelines. During the different lockdowns and rules we had to follow, this was one of the things we all missed the most so it was great to have this happening again. There were so many highlights over the course of the four days but what stood out for me was the level of fair play and the way the children worked as a team. Well done to them 😊 Can I also say how amazing it was to see the children in their correct/new PE Kits. Please ensure that for all sporting activities and lessons these continue to be worn.

Top left we have children in Y1 dressed in pyjamas to support the YMCA fundraising day. Thank you again for supporting this; definitely a good event to do in the Summer when the sun is out!

Middle left we have children in Y4 doing some Mayan inspired creative writing outside. They look fully focused don't they!

In other news, school reports will be sent out next Friday by email along with your child's new class teacher (this will be a slip of paper in their bag). If you do require a paper copy of the report then please email the school office:

There will also be a link to the parent/carer questionnaire which we would appreciate you completing. Click [here](#) for previous year's results.

And finally, it is languages day on Monday and we are asking the children to come dressed in the colours of the Tanzanian flag. Sadly, as a result of the pandemic and the British Council experiencing difficulties, the return visit for our friends in Tanzania is looking unlikely. So Monday is our chance to remind ourselves of that special partnership we have with them.

**Have a nice weekend,**

**Mr I. Johnson**
