

# Weekly Word

26.5.2022

To all Parents/Carers,

I can't believe how quickly that half term has gone! I know it was a shorter one but it still seems to have flown by. Top left we have some children in Year Four learning all about different types of soil with Mrs Clayton. Judging by the levels of concentration and intrigue on their faces it looks like they really enjoyed this lesson ☺

Middle left, although technically they started last week, children in Year One have been creating William Morris inspired tiles. You can see how they have drawn their designs in their sketchbooks and then tried to replicate them using clay. I had a sneaky peek in the classroom and I have to say, they are brilliant! Keep an eye on Twitter for any other photos of this exciting project!

And bottom left we have a child in Year Two dressed in red, white and blue to celebrate the Queen's Jubilee. Thank you to all the parents/carers and children for getting involved; it really was a sea of colour on the gate this morning. We hope you enjoyed the cake sale too; thank you to the PTFA for organising.

In other news, the Year Five children will be reopening the Healthy Tuck Shop after half term. They all received an application form last week and now the deadline has passed the selection process can begin! Fruit will be priced between 20p and 40p so if you want your child to buy anything then make sure they have their spends with them on the day. The opening hours and times will be published when we are back.

And finally, we will be mixing the classes up this Summer for the September 2022 start. As in previous years, each child will be asked to select friends they want to be with and we will endeavor to ensure they are with at least some of them. All decisions will be final.

Have a lovely half term and see you on 7<sup>th</sup> June,

Mr I. Johnson
