Care Curiosity Determination

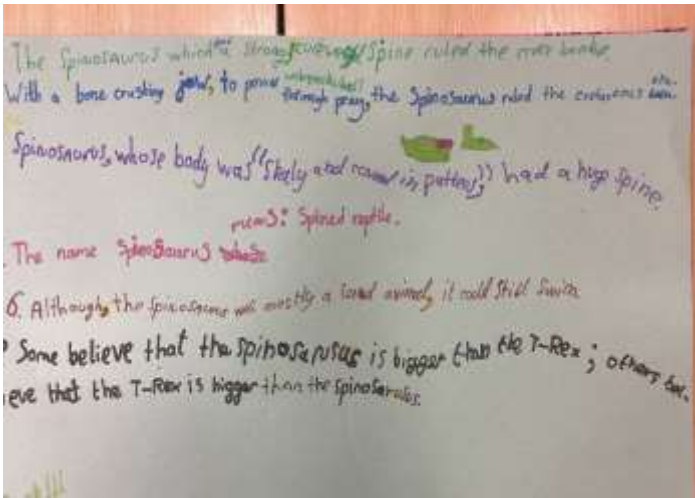

27.9.2024

To all Parents/Carers,

Another busy week at Markeaton has come to an end! We hope the children have enjoyed their learning.

Top left, in Y3, the children have been learning all about the digestive system. They have created some absolutely brilliant information posters with interactive fact files!

Middle left are some examples of sentences about dinosaurs. This has been a hugely popular topic over the years and continues to be so in Y6. I was handing out plenty of stickers in my office to children who had brought me their writing 😊. Many of them have also noticed that Jurassic park is my all-time favourite film!

In other news, our new house captains for Strutt, Nightingale, Royce and Wright were elected today. Throughout the week the children in all classes have been watching videos of potential nominees and today was vote counting day. Out of the 60 children in Y6, 52 submitted a video and I think that is to be commended. Whilst there were some disappointed children who hadn't been voted in, I do want to say well done to everyone for being brave and putting themselves forward. Life is sometimes like that and despite the setback, I hope all children were able to take something positive away from the experience.

And finally, two things...a big thank you to all parents/carers for supporting our PE Kit expectations. There has been a big upturn in this area and we are down to only a few isolated cases of incorrect kit. Lastly, one final reminder about the Car Boot Sale on Saturday 5th October. Even if you haven't got a pitch, spread the word far and wide!

Have a lovely weekend
Mr Johnson

This week's attendance is 97.9%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are Y4: 100%
