## Care Curiosity Determination

28.11.2025

Dear Parents/Carers,

We had a special visitor on Tuesday – you guessed it, it was Rammie!! As expected the children were in absolute rapture!

In other news, a huge thank you to everyone who has donated something for the Christmas Hampers so far. The collection is steadily growing, day by day and still time to go! In case you missed it, our Christmas Fair is straight after school this year (Fri 5<sup>th</sup> December 3:30pm till 6:00pm). So no need to go home and come back, when you pick up your children it will have already started! It promises to be a fantastic occasion and we can't wait to see you all there 😊

And finally, more proof on Class Dojo that outdoor learning is alive and well! Here we have a photo of some muddy wellies after another outdoor session. Now that Class Dojo is set up in all classes, we would love a bit of feedback on how it is all going. Hopefully you are receiving plenty of photo updates on your app and any useful reminders via the announcements page.

Have a lovely weekend,  
Mr I. Johnson
