Care Curiosity Determination

28.2.2025

To all Parents/Carers,

Farewell February, hello March! And hello Spring if today's sunny weather is anything to go by!

Up first, top left, we have children in Y5 taking part in a music lesson in the hall. This week they were learning all about pulse, beat and rhythm! If you remember, it was the same Y5s that performed an amazing brass concert before half term 😊

Middle left children in Y4 are showing off their wood saw skills. From memory they were making their own medals or pendants – they did a top job that's for sure!

Bottom left, another week, another sports tournament entered. This time it was Pentathlon PLUS at Willows Sports Centre. They did events such as Boccia, Basketball and Curling and were brilliant at all of them!

In other news, well done to our Girls' Football Team who played last night. They played two matches against Gayton Juniors – winning one and losing one. Both games were really close and they all played fantastically well 😊 They have another match coming up soon as do the boys so I will keep you posted.

I also want to bring your attention to an upcoming event at Lawn Primary School called "More IRL, less URL!" The details are:

Smartphone-Free Childhood, a national charity, is running a discussion evening for local parents. The session will involve hearing from kids, doctors, headteachers and parents/carers about how we can help our children navigate the world of smartphones.

Tuesday 13th May, 6-7.30pm at Lawn Primary School.

And finally, the deadline for the young artist competition is looming (5th March). I have only had two entries so far so keep them coming and email them to school with all the usual details.

PS - do we want another car boot sale in school? If so please complete the questionnaire in the Friday email so we can gauge the level of interest!

Have a lovely weekend,

Mr Johnson

This week's attendance is 96.4%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are FS2 98.3%
